SherryBrown

Sherry Brown was a well-respected REALTOR® throughout her long career. She joined VIREB in 1997 and was a dedicated, hardworking professional who always prioritized clients. Sherry's honest and ethical business approach facilitated terrific relationships with clients who repeatedly turned to her for their real estate needs. As technology permeated the real estate industry, Sherry remained a traditional REALTOR®, never forgetting that real estate is about relationships with people, not devices. We are honoured that VIREB member Sue Ghose, a close friend of Sherry's, chose to partner with us in this endeavour to commemorate her life.
